

Verona Solar

Disclosure Statement and List

January 1, 2021

Invenergy is developing Verona Solar, a solar energy project on land leased or optioned from landowners in the Town of Verona and City of Rome.

Invenergy is not aware of any municipal officers or relatives known to be in office that have a financial interest in the project. Should Invenergy become aware of any conflicts, conflicted individuals will be included on a table (the "Disclosure List") on the Project website (<https://veronasolarenergy.com/>).

If you have any questions on the project or the Disclosure List, please reach out to me.
